

Donation Commitment Request

The Maricopa Library and Cultural Center is growing into its new building after a year of construction. With a space now three times as big, there is a great need to increase the library materials collection (books, audio-visual, and other types of materials) to meet the needs of the citizens of the City of Maricopa.

Additionally, the center is not only a library but also a cultural center for the city. Space for programming of all kinds will be available. We need to raise funds to bring in high-quality programming to our newest community asset. Programs supported by these funds will continue to be free to participants.

To this end, the Maricopa Community Foundation has set up a Maricopa Library and Cultural Center Designated Fund to be used for these purposes as well as memorialize the donations in a beautiful donor wall so that all who visit the Maricopa Library and Cultural Center will see the community's support for its mission to help our community's people learn, enjoy and better their lives.
