

2021 WILD HORSE ARTS INITIATIVE SPONSORSHIP

Their hands create the art --- you create the opportunity! Sponsor a Wild Horse artist!

The very first Wild Horses Arts Initiative project was met with great excitement, which is why the Cultural Affairs and Arts Advisory Committee (CAAAC) in partnership with the City of Maricopa would like to extend from the success of its predecessor and announce the Maricopa Wild Horses – Arts Initiative Round Two.

Wild Horse sponsorships are designed for businesses and individuals who want to support public art in our community and potentially promote their own activities at the same time. Call it “philanthropic advertising” or a “community investment”. It’s a win-win for the City of Maricopa and your business since we’re both aiming to build a better Maricopa through the arts. We are hoping the Maricopa Wild Horse Art Initiative will engage the creativity of the local art community, while celebrating the City of Maricopa’s growth and honoring our roots as we look to the future. By sponsoring a presenting artist, you will get exposure and name recognition. This highly visible branding opportunity will promote your organization’s presence in Maricopa to hundreds of people throughout the area and lets them know that you support the arts. Proceeds will also support other public art programs and initiatives. All sponsors will receive special recognition

- Your name listed alongside the artist of your choice (subject to availability) and in all on-site, online, and in printed materials
- Recognition on a plaque placed at the hooves of your horse
- VIP invitation and acknowledgment at the public unveiling reception.
- Your company will also be recognized on the map of horse sites
