

### Plan Review Turnaround Times

A 10-day completeness review is conducted on each application before plan review begins, along with a 5-day completeness review for subsequent submissions. The completeness review does not begin until the day after all necessary documentation is uploaded to the VIP Portal and all relevant fees are paid. These plan review turnaround times are estimates and may change due to size of submittal, workload, and staffing considerations. Maricopa City Hall is open Monday through Thursday, 7AM – 6PM. A permit that is received on Friday will not be marked received until the following Monday.
